2012 IPMC Update

Introduces the major changes from the 2009 IPMC® to the 2012 IPMC®. The changes are identified in the handout along with reasons for the changes and knowledge review questions. Information presented will allow for the application of these new code requirements to design, plan review, and/or inspection.

Upon completion, participants will be better able to:

- Identify the most significant differences between the 2009 IPMC and the 2012 IPMC.
- Explain the differences between the current and previous edition.
- Identify changes in organization and code requirements.
- Identify applicability of design, plan review and inspection requirements

Noon – 1:00 p.m.

LUNCH

1:00 – 3:30 p.m.

Ethics & Public Life

Description:

This seminar will provide an overview of the importance of effective and ethical communications, specifically for code officials.
